Immersion Trip to NPH Honduras
July 13 - 20, 2019

This **one-week immersion trip** to our NPH home in Honduras is led by **Donna Egge**, retiring NPH International Director of Family Services, and will combine **service, culture and adventure**!

You will have the unique opportunity to stay in the visitor's housing building. This will allow you to **immerse yourselves in NPH life with the children**. While the children are in school, you will help out around the home such as assisting with **daily chores** around the property, working in the gardens and farm, caring for the babies, and preparing meals in the kitchen. The afternoons and evenings will be spent with the children through **various fun activities**. Additionally, you will **meet** the leadership of the home, **tour** all of the home's facilities, and **hear talks** from some of the children.

Whether you are new to NPH, or a longtime supporter, visiting our homes is **the best way to see what we do in action**. You will meet the amazing children, staff, and volunteers of NPH and learn about their daily lives. **Join us- your life will never be the same!**

About NPH Honduras

A thriving, bustling community less than an hour from the nation's busy capital is Rancho Santa Fe. Open since 1985 Rancho Santa Fe is the second oldest of the NPH homes. Over 400 hundred pequeños make their home in this vast wooded oasis in the hills—a metropolis in comparison to the surrounding quiet pueblos—while an additional 100 pequeños study and live in the capital, Tegucigalpa.
