## GIFTS IN-KIND PROGRAM

For over 50 years, NPH USA has worked to end the vicious cycle of poverty by giving safe, loving homes and brighter futures to children in Latin America and the Caribbean. We do this through fundraising and volunteer efforts that support Nuestros Pequeños Hermanos (NPH, Spanish for "Our Little Brothers and Sisters"). Together, we transform the lives of orphaned, abandoned and disadvantaged children by creating families for life through values of unconditional love, shared responsibility and education. This enables children to grow into caring and productive members of their communities.

Individuals, groups, organizations and companies may support NPH USA and the children of NPH by donating goods and services, including:

- New merchandise and gift certificates for event auctions and prizes
- Equipment, provisions and supplies for the NPH USA fundraising offices
- Products, provisions and supplies for the NPH homes

In-kind donations help reduce costs for the NPH USA offices and the NPH homes, and are tax deductible.

### THE BENEFITS OF PARTNERING WITH US
