MATCHING GIFT PROGRAM

WHAT IS A MATCHING GIFT PROGRAM?

Many companies have contribution policies that allow the company to contribute financially to nonprofit organizations that their employees support. This is a Matching Gift Program.

HOW DOES IT WORK?

When an employee contributes to NPH USA, the company matches that contribution, sometimes doubling or even tripling it. For example, if you give \$50 to NPH USA, your employer may donate \$50 or \$100 to NPH USA. Listed below are some areas that may qualify for your company's support:

- **Providing relief to the poor:** NPH USA helps provide food, clothing, shelter and health care for orphaned, abandoned and disadvantaged children, as well as support to people living in poverty in Latin America and the Caribbean.
- **Advancing education:** NPH USA helps fund an extensive variety of educational opportunities, from preschool through university, as well as vocational training.
- **Preserving culture:** NPH USA helps provide art, dance, music and other cultural programs.

NPH USA is a registered 501(c)(3) nonprofit corporation, Federal Tax ID# 65-1229309. Donations are tax deductible to the extent provided by law. All donated funds are diligently appropriated and an audited financial statement is available upon request.

HOW DO I FIND OUT IF MY COMPANY HAS A MATCHING GIFT PROGRAM?

Visit www.nphusa.org/match and search for your company, or ask your Human Resources representative or supervisor if you have a Matching Gift Program. If you do not, please encourage them to participate!

WHO CAN PARTICIPATE?

Employees, retirees, spouses and their immediate family members may participate. If a company with a Matching Gift Program employs you, your spouse or your children, each of your gifts to NPH USA may qualify for a matching gift. You also may be able to participate if you or your spouse are receiving benefits under a company pension plan.

HOW DO I GET STARTED?

1. Ask your employer for a contribution/matching gift form or online matching website.
2. Complete the paper or online form with your gift information.
3. If using a paper form, send to the national NPH USA office for approval. We will be notified of your online matching requests.

If your company does not have a form, please contact us and we will be happy to send you one.
