COMMUNITY OUTREACH PROGRAMS

Fr. William B. Wasson, founder of Nuestros Pequeños Hermanos (NPH, Spanish for “Our Little Brothers and Sisters”), believed in raising children to be responsible and share with others. As a result, all of the NPH homes assist people in their communities in a variety of ways. Whether it be responding to a natural disaster or local crisis, or partnering with national child welfare agencies, saving children and their families takes the combined resources of NPH and our partner organizations. Together, we implement the best care practices and customize our services to meet the needs of the surrounding area while ensuring that we adhere to local legal, ethical and cultural standards. By uniting international and local efforts, we are able to achieve meaningful progress in the community.
