

SPONSOR A HOME FOR A DAY

More than half the children in the developing world are severely deprived of one or more basic necessities, including adequate shelter, proper nutrition, safe water and quality health care. Millions have never been to school. They beg and scavenge to survive.

The facts are devastating. But there is hope.

50+ YEARS OF TRANSFORMING LIVES

Founded in 1965, NPH USA supports the the homes, health services and educational programs of Nuestros Pequeños Hermanos (NPH, Spanish for "Our Little Brothers and Sisters") in Latin America and the Caribbean. Together, we help children overcome poverty and become leaders in their own communities.

NPH is currently supporting more than 6,200 children in Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua, and Peru. NPH community outreach programs focused on healthcare, education, and basic needs provided more than 140,000 services in 2017.

WHAT MAKES US UNIQUE

- Our children are welcomed into a family for life and receive direct physical, emotional and spiritual support. This gives them security and a sense of belonging.
- Our children have daily chores, such as dusting or farming. This teaches them responsibility and they find pride in helping their family in this way.
- Our children are given a quality education and have the opportunity to pursue a trade or university degree.
- Our children give back a year or more of service to share the responsibility of raising the family.

NPH USA, Federal Tax ID# 65-1229309, is a registered 501(c)(3) nonprofit corporation. Donations are tax deductible as provided by law and are diligently appropriated. An audited financial statement is available upon request.

SPONSOR A HOME FOR A DAY

NPH has an annual operating budget of over \$25 million to include items such as water, electricity, teacher and caregiver salaries, fuel costs, equipment and many other costs that are essential in caring for our children. You can make a significant impact on the lives of our children by sponsoring a home of your choice for a day. In return, a child from the home will write to you, telling you what they did on that day. We can also recognize you on our Web site and in social media.
