NPH USA transforms the lives of orphaned, abandoned and disadvantaged children in Latin America and the Caribbean by supporting the homes, healthcare and educational programs of Nuestros Pequeños Hermanos (NPH, Spanish for "Our Little Brothers and Sisters"). Together, we create families for life and teach children the values of unconditional love, shared responsibility and helping others. Since its founding in 1954, NPH has assisted more than 20,000 children and is currently raising more than 3,400 boys and girls in Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua and Peru. An additional 1,600 students who live outside the homes receive scholarships, meals and health care. NPH outreach programs provided over 95,000 services in 2014.

NPH USA is a registered 501(c)(3) nonprofit corporation. Donations are tax deductible and help provide children with food, clothing, shelter, health care and an education, enabling them to overcome poverty and become leaders in their own communities. In 2014, NPH USA contributed \$11.1 million in donations and \$1.3 million in in-kind goods to support the children of NPH. The Northwest region raised over \$1.3 million in 2014.
